### Office Order

BRB Hospitals Ltd has obtained a sufficient number of senior, qualified and skilled Anesthesiologist and they are performing their respective responsibilities with satisfaction. It is a matter of great regret that a few number of Consultants are accompanying Anesthesiologist from outside for the operation procedure of their patients. So, the management has decided that from now on all external Anesthesia Doctors (Anesthesiologist) are not allowed in the operation theater of BRB hospitals Ltd. to take part in the operation procedure. Our respected Consultants are requested to ensure the patient's anesthetic procedure by our regular Anesthesiologists in 24 hours.

We hope your sincere co-operation will expedite the whole process.
